Craps Free Craps is a fun and exciting variation on the casino game of Craps. Craps Free Craps offers several wagers not available on a standard Craps game.

In the game of Craps 2, 3, and 12 on the come out roll are losing rolls for a pass line bet. Likewise, a come out roll of 11 is a winner on the pass line. In Craps Free Craps these rolls become the “point” and pass line bet wins when the number is rolled again before a 7.

PASS LINE ODDS

In Craps Free Craps you may take odds on the pass line bet for any point including 2, 3, 11, and 12. The odds payouts on the points of 4, 5, 6, 8, 9, and 10 are the same as a Craps game.

The odds on 2, 3, 11, and 12 are as follows:

2 and 12 – 6 to 1

3 and 11 – 3 to 1

BUY BETS

Buy bets can be made on any of the numbers in Craps Free Craps except for 7. Buy bets pay the same as pass line odds for all numbers. However, a 5% commission is charged on all buy bets. Buy bets may be made at any time.

PLACE BETS

Place bets may also be made on any of the numbers except for 7. Place bets can be made at any time. Place bets on the 4, 5, 6, 8, 9, and 10 pay the same as a Craps game. The place bet odds on 2, 3, 11, and 12 are as follows:

2 and 12 – 11 to 2

3 and 11 – 11 to 4

OTHER WAGERS

All other wagers offered on a Craps game are also offered on Craps Free Craps with the exception of the Don't Pass and Don't Come wagers. A gaming guide for Craps is available for descriptions of all available wagers.

All games owned and operated by the Kansas Lottery.
