Pai-Gow Poker Fortune Bonus is identical to the authorized game of Pai Gow Poker with the exception of the optional Fortune "Bonus Wager." The object of the game is for the player, using all seven cards dealt, to create a qualifying five card poker hand of a Straight or better. Additionally, if any player at the table achieves a five card hand of a Four of a Kind or better, then the other players who have placed a "Bonus Wager" of at least \$5.00 qualify to receive the "Envy Bonus" payout from the Bonus Schedule regardless of whether their own hand was of a qualifying nature. If you have a bonus qualifying hand, your best five cards qualify for a bonus payout no matter how you set your hand.
